DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

This project consists of redefining the interpretive area around the blacksmith shop in Seeley Stables yard area. Seeley Stables is a history museum located in Old town San Diego State Historic Park. The work would include restoring a dissembled wagon, installing 6 small hooks on the rafter of blacksmith shop to support two small canvas canopies (10'X10') to provide shade. The project will also require the installation of several (4"X6") posts and temporary rope fencing, a support structure for the wagon that is on ground and replacement or removal of deteriorating fencing outside the blacksmith shop.
